

ASHRAF HUSSAIN SHAIK

GUNTUR, INDIA

ashrafhussainshaik203@gmail.com | +91-7993293722

Summary

A dedicated and results-driven Computer Science graduate seeking an entry-level position in software development, where I can leverage my skills, problem-solving abilities, and enthusiasm for learning new technologies to contribute to innovative projects.

Skills

Computer Languages - C, Java, Python

Front end - HTML, CSS

Databases - MySQL

Tools and Software - Eclipse, VS Code

Projects

Enhancing Rainfall Prediction Using Data-Driven Techniques

April'24

- Developed a data-driven approach to improve rainfall prediction accuracy.
- Utilized machine learning algorithms to analyze historical weather data (temperature, humidity, wind speed, etc.).
- Identified key features influencing rainfall patterns.
- Built and trained a model to predict rainfall amount/occurrence.
- Integrated Snowflake for scalable data storage and efficient data retrieval.
- Utilized Python for data processing, model building, and analysis.
- Evaluated model performance using appropriate metrics.
- Tech Stack: Python, Flask, Scikit, HTML, CSS, Machine Learning, Snowflake

Online Photoshoot Booking

April'23

- Developed an online photoshoot booking website used to book the photoshoot through online
- Automated booking of event, place, and timings.
- Increased efficiency and reduced booking time.
- Tech stack - **HTML, CSS, JavaScript, MYSQL**

Internships

- Completed a Full stack Development internship at **Brainovision Technologies Pvt Ltd**, where I gained hands-on experience in Web development.

Certifications

- Certified by **Wipro's Talent Next** in Java Full stack.
- Certified by Brainovision Technologies Pvt Ltd in completing Full stack through java with hands-on project.

Education

KKR & KSR INSTITUTE OF TECHNOLOGY AND SCIENCES, Guntur, India

2020 - 2024

- Branch: Computer Science | CGPA: **7.71**
